## *A Life Well-Lived*

A life well lived is a precious gift  
Of hope and strength and grace  
From someone who has made our world  
A brighter, better place.

It's filled with sweet moments and smiling  
With friendships formed  
And good times shared  
And laughter through the years.

A life well lived is a legacy  
Of joy and pride and pleasure,  
A living, lasting memory  
Our grateful hearts will treasure
